## THE TMC GAZETTE

For one reason or another this appears to be turning into a congratulations issue.

First, we must congratulate Thomas Christian on winning TMC's Got Talent in front of what has to be the noisiest crowd ever. Also well done to Febriyadi Sho, and Shyam Menon for coming in second and third.

Next, congratulations to G5 for winning the TMC Soccer Cup, beating the Brown Devils in the final.

The final and most importantly congratulations Alexander Kurniawan who has just completed the Liverpool John Moores University BA (Hons) Mass Communications and has been awarded a First Class Honours degree. This is the third TMC student to get a First from LJMU on the Mass Comms programme.

We would also like to take the opportunity to congratulate Irfani Irmasanti, Lidya Veronika Iriandi and Nia Juniati who all were awarded Upper Second Class honours degrees.

It may be difficult to believe but the end of the semester is fast approaching. So now is the time to get working on your assignments. Please don't leave everything to the last minute. Remember that if you need help or advice now is the time to talk to the lecturers.

Finally just a note on footwear, it is noticeable that some students are coming to classes wearing slippers. We would ask that students wear proper shoes.
